

M.F.L.S.

Discover your study association!

THE M.F.L.S.

The Medical Faculty for Students from Leiden (M.F.L.S.) is one of the biggest study associations in Leiden with about 3.000 students. The M.F.L.S. is celebrating its 111th anniversary this year. All students who study Medicine, Biomedical sciences, Pharmacy, Vitality and Ageing or Population Health Management in Leiden or The Hague, are automatically a member of the M.F.L.S. The board is composed of 7 members, who you can find in the boardroom every day. Feel free to stop by K1-69 for any questions or for a chat with a cup of coffee or tea!

STUDY ESSENTIALS

As a student of Medicine, Biomedical Sciences, Pharmacy, Vitality and Ageing and Population Health Management you can easily order all study essentials through the M.F.L.S. As a student and member of the M.F.L.S. you are assured of the lowest price guarantee, fast delivery and good service. On the M.F.L.S.-website, we explain everything about the study materials and where/how to order them. More information can be found at www.mfls.nl.

EDUCATION

The M.F.L.S. represents the interests of all students through student members who participate in a variety of LUMC education committees. As a result, students at the LUMC have much say in education. Two education members are included in the M.F.L.S. board; one for Medicine & Pharmacy and one for Biomedical Sciences & Vitality and Ageing. Students can raise concerns about the education through the student representatives. Medicine, Biomedical Sciences and Vitality and Ageing have a Yearly Representation Team (in Dutch: JVT). The JVT is a delegation of different students from one academic year. The master of Medicine and the master of Pharmacy have a representation for all three master years: the Leiden Co-Council (in Dutch: LCR) and the Pharmacy Student Representation Committee (in Dutch: FSV). Are you staying in the Netherlands for at least a year, and are you interested in evaluating the education and giving LUMC students a voice? **Then apply for the JVT/LCR/FSV! Email to: lidbw@mfls.nl, lidgmk@mfls.nl, lidfar@mfls.nl or lidv&a@mfls.nl.**

HEPATHO

The M.F.L.S. has its own bar, HePatho. Here you can have lunch, drinks, play pool or prepare your study group. The nice thing is that everything is sold for a student price. For example, your coffee is only €0.20 and your grilled cheese sandwich only €0.60! In addition, HePatho hosts various activities such as parties, Student-Teacher get-togethers and VriMiBo's. HePatho is located at K0-98 and can also be reached by using the stairs near lecture hall 1. Opening hours for HePatho: every weekday from 12:15 to 6 p.m.

ACTIVITIES

The M.F.L.S. organizes many activities. Some of them are education-related, but a big part is focused on socializing. The organization is done by many M.F.L.S. committees. Keep posted with all the activities and parties that are coming up through Instagram (mfls.leiden).

M.F.L.S. parties & VriMiBo's

5 times a year, the M.F.L.S. organizes a party in HePatho from 10 pm – 4 am. Each party has its own theme. About 400 people gather to party all night while enjoying cheap beer and cocktails. Each last Friday of the month there is a VriMiBo in HePatho. It is kind of a small M.F.L.S. party, but still very fun! Both things are a great way to get to know the Dutch student culture!

Instagram & whatsapp

On our Instagram (mfls.leiden), we post a monthly data schedule of all activities coming up. The first slide is always in Dutch, but the second slide is in English! There will also be an English translation in the caption of many other posts, so we can keep you posted with all our progressions.

INTEGRACO

One of the many committees of the M.F.L.S. is the IntegraCo. This committee focuses on the integration of international students within the M.F.L.S. by organizing activities (like a trip to Keukenhof in The Hague), and matching Dutch students with internationals through a buddy system. There is no better way to get to know the Netherlands than to be shown around by local students! Join the activities to get the full Dutch experience and meet many other international and local students!

Be a part of the committee!

The committee is a close group of 7 students and 2 board members who all have affinity with internationalization. The fun part is that both Dutch and international students can apply! It's a great chance to get to know some Dutch students and represent the voice of many other internationals! **Apply for the IntegraCo by sending an email to lidintern@mfls.nl or drop by the board room (K1-69)!** We prefer students who stay at least a semester, but if you're enthusiastic and staying for a shorter period of time, definitely apply as well!
